PHOENIX MOISTURIZING CREAM FRAGRANCE FREE

Phoenix Moisturizing Cream is a fragrance free after-work cream formulated with an extensive range of emollients, conditioners and moisturizers that replace the skins natural oils. These oils can be lost by repeated contact with industrial soils, frequent washing and harsh Canadian winters.

- Thick lotion consistency
- Fragrance free
- Light green colour
- Extensive range of conditioning and moisturizing ingredients including emollients
- Eliminates dry chapped skin
- Biodegradable
- Cruelty free (no animal testing)
- Recyclable packaging
- Latex free
